Marcella Lucke, RN, BSN

Austin, Texas | www.linkedin.com/in/marcella-lucke | luckemarcella@gmail.com

Summary

I am a multifaceted professional with healthcare experience in the inpatient hospital setting. In this field, I found a passion for technology through Electronic Medical Record usage, and I decided further this knowledge by attending the Full Stack Coding Bootcamp at UT Austin. I love integrating the critical thinking I have learned in nursing with the complex nature of technology, and I look forward to pursing this innovative path in the future.

Education

Center for Professional Education, 2022 – University of Texas at Austin
Graduate of Full Stack Coding Bootcamp

Saint Louis University, 2015 to 2019
